CRITERIA

- All transaction data is based on mergers and acquisitions (M&A) deals announced between January 1, 2017 and December 31, 2019 that Dealytics was made aware
- Bankers receive full deal value credit for each deal they were involved with, have provided financial advisory services toward, and their participation in that transaction was made aware to Dealytics
- All deal values are based in USD. Non-USD transactions are converted to USD equivalents at the time of announcement date
- Deals with undisclosed dollar values are mapped with null values for deal search criteria
- Bankers' associated firm is the bank that the individual is employed when they last participated in their latest deal that Dealytics was made aware of.

If you would like to submit data, receive quarterly releases, or have questions about reports, league tables, data access, platform, or criteria please
